

SPECIAL ULTITEC FEATURES

(For ULTITEC 4000 & ULTITEC 5000)

Chinstrap

Extra Chinstrap for protection and better fit.

Hood Design

Hood shape to perfectly follow head movement with well fitting respirator.

Storm-Flaps

Double layer storm flaps help ensure liquid tight seal in front critical area.

Finger Loop

To prevent sleeve movement during overhead work.

Elasticated

Elasticated wrists and ankles keep particulates out.
